

Guidance notes for application

As part of your application, you will need to create and submit a short YouTube video all in Spanish (3 minutes maximum):

- Tell us about yourself (self-introduction)
- What made you choose to study Spanish?
- Why you are applying for this programme?
- What you would like to achieve/get out of this programme?

As part of your application you can upload the link as an unlisted YouTube video

How to create an unlisted YouTube video:

1. Record your video on your device
2. Upload your video to YouTube
3. For the title write “(your name) Puertas Abiertas application”
4. Under “visibility” select “unlisted” which means only those with the link will be able to view the video
5. Click Save
6. Copy link of video
7. Paste link of video onto application form
