ONLINE SPANISH COURSES

Aula Virtual de Español (AVE) <http://ave.cervantes.es/en>

The AVE has courses that cover reference levels A1, A2, B1, B2 and C1, preparation for DELE exam and courses specifically designed for children. It also contains discussion forums, chat rooms, blogs, wikis and plenty of multimedia material.

Hola, ¿Qué tal? <http://www.holaquetal.com/>

Hola, ¿qué tal? is an online course in which students build their Spanish language learning experience from materials specially designed to study Spanish online and make a difference from other web-based language learning courses.
